**CONTRACTORS' CAPACITY BUILDING SERIES**

**Construction Bid Prep Workshop**

**Learn what it takes to submit an accurate bid proposal that significantly increases your firm's bottom line.**

Understanding your numbers and margins are critical to ensuring profitability and increasing capacity in your organization. Accuracy in formulating the bid proposal is crucial to getting the job, and even more important to your bottom line. This course will teach you how to create a scope sheet that itemizes inclusions/exclusions of the job to ensure your bid proposal will net a profit for your organization. In this workshop we will help you to understand how to effectively utilize the following project components in the bidding process:

- Profit Margins**
- Overhead**
- Contingency Budget**
- Labor Burden**
- Taxes on Materials**
- Davis Bacon**

The Contractors Resource Center is the newest addition to The Urban League of Greater New Orleans Women's Business Resource Center. The CRC includes a business training facility; computer training lab; a member-use computer equipped with PlanSwift software; state-of-the-art plotter; and other diverse resources. The CRC opened September 15, 2014 and is funded in part by Jacobs/CSRS.
